

## The AKA Chapter Design Program

*“Our program is **true** customization”*

***AKA Chapters can design their very own line!!***

### **If your Chapter is under 300 members:**

Any 20 Pearls Product (**subject to available inventory**), excluding luggage and totes, can be customized for your chapter to include your chapters name and/or Greek lettering or chapter logo for that identification during clusters, Regionals, Boule or any chapter outing events.

We will work with the chapter/group contact to ensure correct size selection of the garments selected for monogramming.

Email the 20 Pearls Staff at [info@aka20pearls.com](mailto:info@aka20pearls.com) for details and to establish pricing for your customizing needs. Turnaround time from payment and final customization details around 10 days to 2 weeks.

### **If your Chapter is over 300 members:**

20 Pearls Staff can work to design your very own chapter line!

Imagine tees, polos, sweaters, warm up suits and woven shirts specially made to the details of your chapter to include labeling, packaging, etc. for complete and true custom look. The design staff of 20 Pearls can design one of a kind items and include suggestions of fabric, fit etc..

Have a chapter design in mind already? Present it to 20 Pearls to bring your own look to life of the items suggested above or we can work with your key contact chapter person to get the final look the chapter is trying to achieve. We welcome and recommend the chapter provide their own woven shirt, tee and or warm up ideas to 20 Pearls for replication with customization details. The limitations of your own look literally have no end.

**Custom programs completed in 90-120 days. Contact [info@aka20pearls.com](mailto:info@aka20pearls.com) for more information on how to establish your chapters very own line.**
